"Rosie is like a thread that runs through the seams that hold PDSD together.

For those who worked with her through the years, all we have to do is look around and we see memories of Rosie everywhere."

Retirement

Rosie Chavez

Commitment and dedication are just two of the words that can be used to describe Rosie Chavez. Rosie has been a part of Phoenix Day School for the Deaf since its inception in 1967. She was one of the 'Founding Parents' who helped to establish PDSD so that her Deaf daughter would have an appropriate school to attend near home. In those days, Rosie had to drive her daughter to and from school and pack her a lunch because there weren't any buses and there wasn't a cafeteria!

In addition to being a parent, throughout her 44 years at PDSD, Rosie served students, parents, families and staff in many different roles. She worked as a substitute teacher and instructional assistant. She provided secretarial and front office receptionist support. She helped to facilitate communication with Spanish speaking families. She taught parent sign classes. She became a friend and mentor to many parents.

Some of the things that we will most remember about Rosie are the awesome Cinco de Mayo parties she planned with her parent sign classes, her kickball games out on the field with elementary students and her willingness to help anyone, anywhere, anytime.

Rosie is like a thread that runs through the seams that hold PDSD together. For those who worked with her through the years, all we have to do is look around and we see memories of Rosie everywhere.

Sara Briggs Retirement

Can you say F U N?!? After 31 years of employment at the Arizona State Schools for the Deaf and Blind, one can confidently say that Sara is a loyal and dedicated teacher and employee, contributing to this agency invaluable knowledge and creativity!

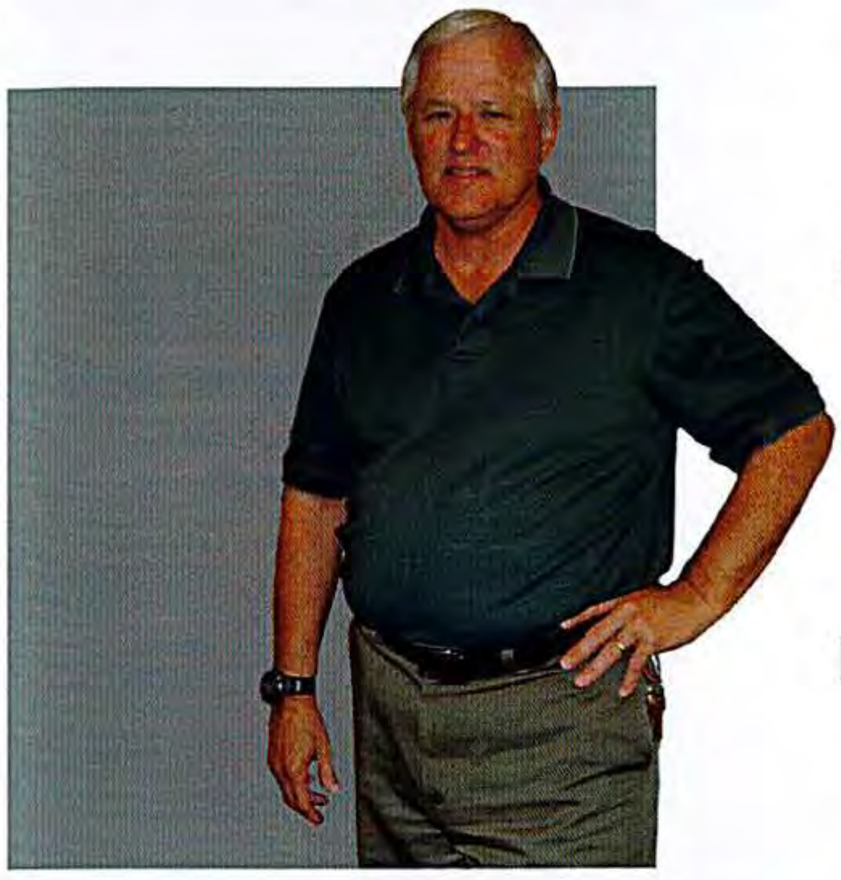
Her spirited and creative personality has blessed students in the Parent Outreach Program supporting families with Deaf and Hard of Hearing babies, in the CHIC Department as a Preschool teacher, in the PDSD Elementary Department as a Kindergarten teacher, in the PDSD Evaluation Department as an Educational Diagnostician, in the Bridges Lab supporting the PDSD students; and finally, in the PDSD Community Based Instructional Program (CBI) as a Middle School Teacher.

It is there that she shares with her students her passion for eating healthy, garden growing and recycling! Making healthy choices is Sara's legacy and will live in the minds of the people who she has touched during her many years of teaching at this agency.

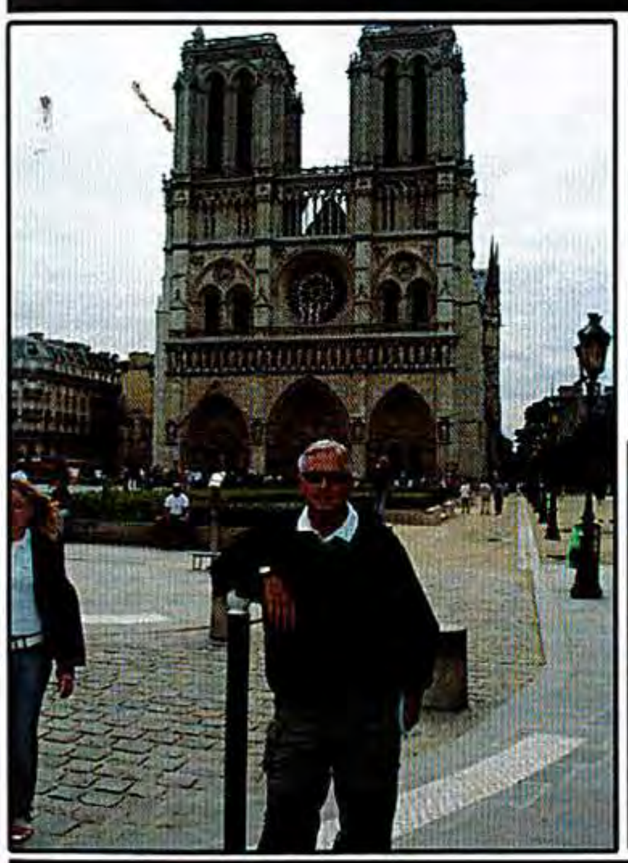
We will truly miss Sara but expect that her creativity and healthy lifestyle will touch and bless other individuals as she enters into her retirement years.

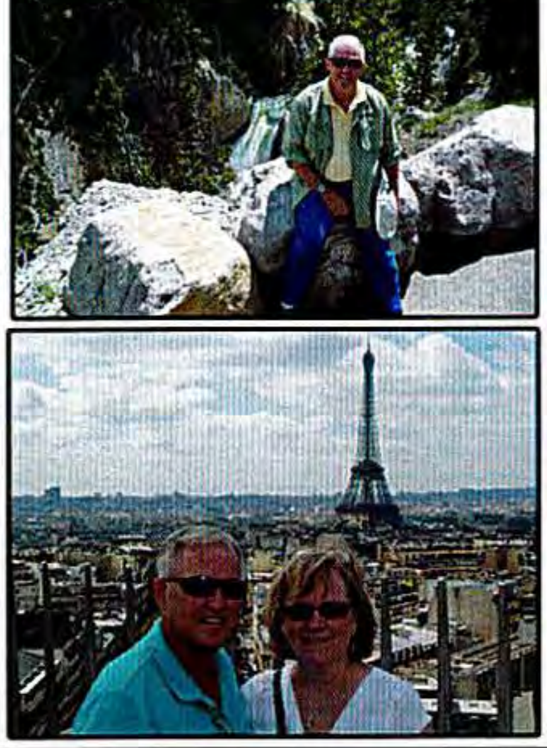
Best of luck to you Sara!

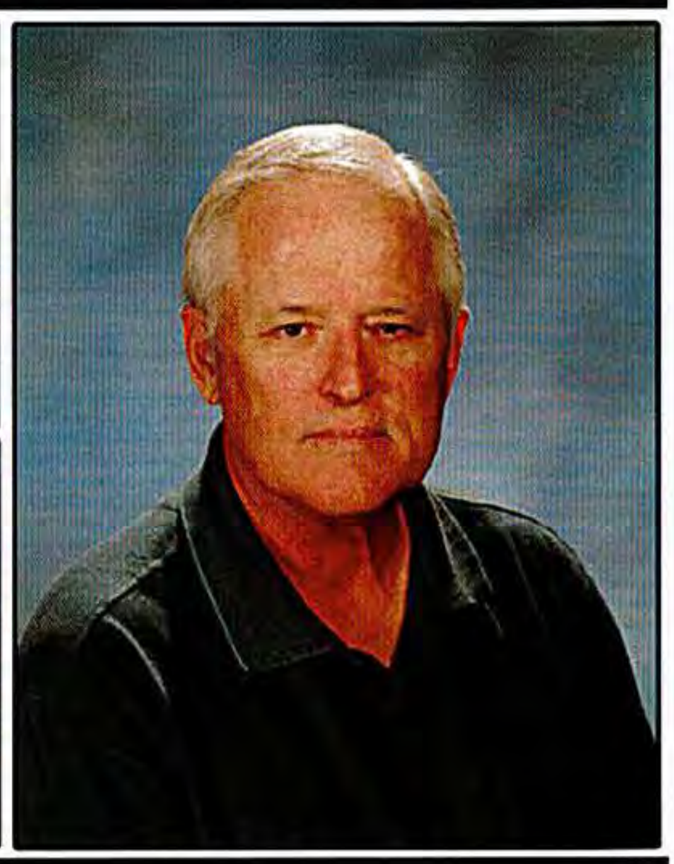
Retirement!



It is very hard to put into words a summary of 38 years of teaching and coaching at 4 Deaf Residential Schools and 2 Day Schools throughout the United States. Each school and the students who attended them presented unique and special challenges, they open themselves up to LEARNING! When teaching is added with pictures from travels, it then becomes REAL and FUN to learn.







The past 5 years at PDSD has been fun and rewarding. I am very proud of those students who worked hard and passed their AIMS tests. I thank all the students and wonderful staff at PDSD for making my short stay here very memorable.

Selene Rivas:

I went to Washington, D.C for Academic Bowl at Gallaudet University with Francina, Thomas, Francisco, Beth and Melissa. It was fun to visit the National Mall, Union Station, and Gallaudet University. In the competition with other teams, I learned that the other team could read fast while I was reading one or two words.My best competition was almost winning by four points against Taft High School from California.I have decided to join the PDSD Academic Bowl team next fall.Thank you, Beth Smiley and Melissa Huber for being great coaches and always giving us feedback during the breaks.

Hail to Our Roadrunner

Hail to our roadrunner
Spirit, spirit, pride, pride
To our PDSD colors
What?
Of course, blue gold

Doesn't matter Black, Mexican, White
Tall short, fat, thin,
Fast, slow, ugly, good-looking
Lousy, superstar
Still doesn't matter

Opponents afraid our roadrunner boys girls
We fight aiming through
Even though our boys girls hit, hit
Frustrate, frustrate, slump down

What if our victory seems impossible?

Wait, wait, WAIT!
Our roadrunner boys, girls willing stubborn
Fight from
Sunrise-rays, rise-temperature up, descend-
Hot, descend-darker
Sunset-still hot
Hot, pain, bear, bear

So hail to our roadrunner
Spirit, spirit, pride, pride
To our school colors
What?
Of course, blue gold

Blue gold in heart
Heart beats, pump blood
Me, you, you, you we bleed
Colors what?
Of course, blue gold

Our roadrunner boys, girls ready group
battle, battle
Referee blow, people yell, we hear?
No! Deaf! We feel see!
So, yell, yell, wave, wave, support our
Roadrunners, roadrunners, roadrunners!
